

Preparing for Changes in Peer Review

While many details continue to be worked through, the first set of changes to the Peer Review process are already underway. The first stages of implementation of changes in NIH peer review will begin in January and February 2009. These changes will be timed to apply to all three standard review/award cycles in each fiscal year.

<http://nexus.od.nih.gov/nexus/nexus.aspx?ID=159&Month=10&Year=2008>

The full set of application submission dates for each cycle can be found at:

<http://grants.nih.gov/grants/funding/submissionschedule.htm>
