

CALIFORNIA CODES HEALTH AND
SAFETY CODE SECTION 125300

125300. The policy of the State of California shall be as follows:

(a) That research involving the derivation and use of human embryonic **stem** cells, human embryonic germ cells, and human adult **stem** cells from any source, including somatic **cell** nuclear transplantation, shall be permitted and that full consideration of the ethical and medical implications of this research be given.

(b) That research involving the derivation and use of human embryonic **stem** cells, human embryonic germ cells, and human adult **stem** cells, including somatic **cell** nuclear transplantation, shall be reviewed by an approved institutional review board.
